PSSA Assessment

Parental Request Review

Parents of PSSA assessed students may request to view the assessment prior to the beginning of the testing window. The request must follow the following guidelines:

1. Review of the assessment must be made in the Guidance Office in the presence of the DAC (District Assessment Coordinator).
2. The request must be made 2 weeks prior to the testing window.
3. The request must be in writing and state the primary reason for review. The Pennsylvania Department of Education's policy regarding opting out of the assessment is **conflict of religious belief** only. The request must be submitted to the DAC.
4. To maintain the security of the assessment, the parent will be asked not to disclose any portion

of the assessment. Parents will be asked to sign an affidavit to maintain the security and integrity of the assessment materials.
